An initial conference will be held in these cases at 12:00 Noon on September 12, 2016, before United States Magistrate Judge Roanne L. Mann, in Courtroom #13C-S, at 225 Cadman Plaza East, Brooklyn, New York. Counsel for all parties (and any pro se parties) must be present.

Plaintiffs' counsel is requested to confirm with defendants' counsel that all necessary participants are aware of this conference. In the event an answer has not yet been filed at the time this Order is received, plaintiffs' counsel is to notify counsel for the defendant of this conference as soon as an answer is filed, or as soon as plaintiffs' counsel learns the identity of defense counsel, whichever occurs first. Plaintiffs' counsel is to notify the undersigned, in writing, at least two days before the scheduled conference, if an answer still has not been filed.

Requests for adjournments will not be considered unless made at least forty-eight (48) hours before the scheduled conference.

PRIOR TO THE CONFERENCE, THE PARTIES ARE TO COMPLY WITH THE REQUIREMENTS UNDER RULE 26(f) OF THE FEDERAL RULES OF CIVIL PROCEDURE. The parties shall meet at least five business days before the initial conference to discuss the matters specified in Fed. R. Civ. P. 26(f) and 16(b); counsel shall also discuss (1) the scope of any anticipated electronic discovery, the preservation of electronically stored data, and the cost of locating, maintaining and producing that data, and (2) whether any party will rely upon expert testimony and, if so, whether counsel are able to reach an agreement on how material exchanged between counsel and any expert witness will be treated, and in particular whether draft expert reports and written and electronic communications between expert witnesses and counsel will be retained. Counsel shall then complete the attached questionnaire. No written report or discovery plan required by Rule 26(f) need be filed with the Court, but the completed questionnaire must be brought to the conference. At least two days prior to the conference, the parties shall also exchange the names and, if known, the addresses and telephone numbers of persons who are likely to have knowledge of discoverable information relevant to dispute facts, and comply with the automatic disclosure requirements in Rule 26(a)(1) of the Federal Rules of Civil Procedure.

Additional discovery may commence prior to the initial conference.

At the initial conference, counsel shall be **fully prepared** to discuss this matter and any questions regarding this case, including jurisdiction, venue, schedules for discovery and for trial, and settlement. Counsel shall be prepared to stipulate to facts as to which there is no genuine

dispute: e.g., the time and place of events that are the subject of the litigation, the owners and operators of the instrumentalities or property involved, the status of the parties, the extent of any insurance coverage and whether required administrative procedures have been followed, required notices given, and reports made.

All cases have been assigned to the Court's Electronic Case Filing Program. The parties shall file all future submissions electronically. It is the responsibility of the parties to regularly monitor the status of their cases to avoid missing deadlines and court appearances.

It is also the responsibility of the parties to comply with the Individual Rules of the judges assigned to this case.
